INDEX TO VOLUME 43

Alkaline phosphatase polymorphism of the placenta in people of Negro and European origin 1-6
Anthropometric characteristics, changes in 8-10 years in old men 318-26
Areolar size during pubescence 210-23
Australian Aborigines, Genetic distance among 445-58
Ayala, Elpidio Tomas, Sacral (Mongolian) spot 562-4

Baker, Paul T., Extremity temperature responses to cold among Andean Indians 70-91 and errata following this index
Balakrishnan, V., Genetic distance among Australian Aborigines 445-58
Barghini, G., Curve fitting to longitudinal height data during adolescence in girls 237-52
Benado, M., Dental traits in Chilean Indians and mixed populations 309-17
Bentzon, M. Weis, Seasonal variation in menarche in Copenhagen 493-501
Bielicki, Tadeusz, Parent-child similarity in stature 517-25
Blood groups of: Amish of Northern Indiana 477-85, Bundi of New Guinea 187-99
Body composition of old men 318-26
Bojlén, K., Seasonal variation in menarche in Copenhagen 493-501
Bone age, in children: Finns 224-36, Lagos, Nigeria 59-60, Solomon Islands 29-32, Tristan da Cunha 128, 135-6
Book notices 182-6, 472-5
Book reviews
  Alland, Alexander, Jr., Adaptation in cultural evolution: an approach to medical anthropology 173-7, Human diversity 565-70
  Brothwell, Don and Patricia, Food in Antiquity 467
  Clegg, E. J., The study of man: an introduction to human biology 179-81
  Downs, James F., and Hermann K. Bleibtreu, Human variation: an introduction to physical anthropology 179-81
  Garn, Stanley M., Human races 565-70
  Goldsby, Richard A., Race and races 565-70
  Hardin, Garrett, Population, evolution and birth control: A collage of controversial ideas 570-2
